

Cyrill Anwar Bin Norazman

Software Engineer

Kuala Lumpur, 53100 | <https://github.com/Cyrill98> | www.linkedin.com/in/cyrill-anwar
+60 11 17536005
cyrillanwar98@gmail.com

As an enthusiastic Software Engineer, I excel in collaborative teamwork to address client and stakeholder challenges. My strong analytical skills and willingness to learn make me an asset to any organization. With a keen interest in software development and a focus on data analytics, I aim to contribute effectively to an organization's success

PROFESSIONAL EXPERIENCE

Software Engineer (Mobile Application Developer),
Genting Malaysia Berhad

Kuala Lumpur, KL
June 2022–Present

- Developing and maintaining React Native hybrid applications for iOS, Android, and Huawei platforms, ensuring seamless user experiences for over 300,000 users
- Consistently identify and resolve software bugs as an integral part of daily tasks, ensuring the stability and functionality of applications
- Responsible in upgrading mobile applications from older versions (0.59) to the latest (0.70), incorporating essential features and improving overall app performance.
- Facilitating seamless production deployments by troubleshooting, coordinating processes, conducting knowledge transfer, and providing standby support
